

Squadron PRO

Specifications:

Lumens: 4,900 Utilizing 4 LEDs

Candela: 76,194 (CD) **Weight:** 12

ounces **Wattage/Amps:** 40W /

3.33A **Input Voltage:** 9V-32V

Dimensions: 3.07" x 2.77" x 3.07"

LED Life Expectancy: 49,930

Hours

Front Lens: Hard Coated Polycarbonate

Housing: Hard Anodize & Powder Coat

Bezel: Hard Anodize

Hardware & Bracket Material: Stainless Steel

Built-In Overvoltage Protection

Description:

Our Squadron® Pro packs 4,900 Lumens at 40 watts that will truly annihilate the night. Don't let this light fool you, although compact in size this LED auxiliary light will literally blind you with brightness. The Pro comes equipped with a sleek black gloss aluminum housing and outshines the competition through both appearance and performance. An industry first 30 Day Satisfaction Guarantee & Limited Lifetime Warranty is included for the ultimate in purchase protection.

Baja Designs Features:

Satisfaction Guaranteed - 30 Day Money Back Guarantee

Limited Lifetime Warranty - Complete Purchase Protection

uService® - Replaceable Lenses And Optics

ClearView® - All The Light, Right Where You Need It

MoistureBlock™ - Waterproof, Rain Proof,

Submersible

CopperDrive® - Only LED Driven At 100%

5000K Daylight - Less Driver Fatigue, Natural Color

Standards of Compliance:

MIL-STD-810G Certified - (Low Temperature Test,

High Temperature, Temperature & Humidity,

Thermal Shock Cycling, Dust, Random Vibration,

Mechanical Shock, Low Pressure, & Drip Box Water)

IP69k Certified - (Submersible to 9ft)

IK10 Compliant - (Mechanical Impact Testing)

Salt Spray Certified

LIMITED LIFETIME WARRANTY

Baja Designs proudly offers a LIFETIME WARRANTY against manufacturer's defect on all of the products that we manufacture.

These are comprehensive warranties; other than the exclusions below – you're covered. If your LED burns out, you're covered. Additionally, cutting off our connector or changing your lenses does not automatically void your warranty.

Exclusions:

Installation errors, abuse, misuse or crash damage. You must be the original owner of the product and be able to supply proof of purchase.

Baja Designs manufactures its own products as well as resells products manufactured by others. Baja Designs makes no express or implied warranties on products not manufactured by Baja Designs including without limitation any warranties or merchantability and fitness for a particular purpose. We will however, pass on all warranties made by the manufacturer, who has sole responsibility for performing such warranties.

Baja Designs will pay the freight if your product is less than 90 days old, otherwise defective products must be returned to Baja Designs, Inc., freight prepaid. At our option, we will repair or replace items in question and return them at no charge. If the identical product is no longer available, we will replace with a similar product of equal value. Baja Designs Inc. will not be responsible for any indirect or consequential damages in connection with defective merchandise.

Indemnification:

Buyer hereby acknowledges off-roading, racing and driving at night are dangerous activities and that the products and/or supplies purchased from Baja Designs are used in an inherently dangerous activity that may endanger life and limb; and in no event shall the seller, or seller's heirs and assigns, be held liable for consequential damages, nor shall seller's liability on any claim for damages arising out of or connected with the sale, delivery, or use of purchased products and/or supplies exceed the purchase price of the products and/or supplies.

Customer satisfaction stands at the core of who Baja Designs is as a company. BD gives you a full 30 days to test out your new light and if you are not 100% satisfied with your purchase, you can send it back for an exchange or refund of the purchase price and applicable tax. Exclusions:

Items purchased through a Baja Designs authorized dealer must be returned through the dealer. Only available on LED auxiliary lights and product must be in sellable condition at MSRP. Product that has been damaged in any way after the original purchase date will be excluded from this guarantee.

Squadron & S2 Mounting (Bracket Orientations does not matter)

Squadron & S2 Wiring

Black, Ground.
White, 12-36V DC.

Baja Designs chooses stainless steel mounting bolts and hardware for their corrosion resistance and appearance. Stainless fasteners can be prone to galling or sticking during installation so we recommend a thread lubricant or anti-seize on the threads when assembling. Avoid using high speed power tools to assemble because the heat generated from friction can promote seizing.
